STUFFED MUSHROOMS (Fast Appetizer) Marsha Kwalwasser

Take medium sized or large mushrooms and cut off stems (stems can be discarded). Hollow out inside and wash well. Take whipped cream cheese and add enough garlic powder so that you have a tangy taste of garlic. Fill mushroom caps with cream cheese mixture until level with rim. Sprinkle with paprika. Dot bottom of each mushroom cap with butter to prevent its sticking to pan. Bake in 350° oven until top of cheese gets slightly brown, approximately 12 minutes.

STUFFED FRESH MUSHROOMS

Mrs. Gwen W. Ennis

12 mushrooms	1/2 tsp. salt
3 Tbsp. margarine	Dash pepper
2 Tbsp. chopped onion (fine)	1 Tbsp. lemon juice
3 Tbsp. chopped celery (fine)	1 1/4 c. soft bread crumbs

Begin by crumbling slices of bread to make 1 1/4 cups. Remove stems from mushrooms and chop fine. Melt margarine in skillet. Add chopped stems, onions and celery. Cook over low heat for 5 minutes. Add salt, pepper, lemon juice and bread crumbs. Mix well. Fill mushroom caps using a small spoon. Place stuffed caps in greased baking dish. Bake at 375° for 15 minutes.

PICKLED MUSHROOMS & ONIONS

Mary Babcock

1/3 c. red wine vinegar	2 tsp. dried parsley flakes
1/3 c. salad oil	1 tsp. prepared mustard
1 small onion, thinly sliced and separated into rings	1 Tbsp. brown sugar
1 tsp. salt	2 (6 oz.) cans mushrooms, drained

Combine all ingredients, except mushrooms, in small saucepan; bring to boil. Add mushrooms, simmer 5 to 6 minutes. Pour into bowl, cover. Chill several hours or overnight, stirring occasionally. Drain, serve with cocktail picks. Makes 2 cups.

PICKLED CARROTS

Florence Weber

2 cans sliced carrots, drained	1/4 c. salad oil
3/4 c. sugar	1 c. vinegar
1/2 c. minced onions	2 Tbsp. water 2 tsp. salt

Mix and let stand overnight in refrigerator. Note: This dish makes a colorful addition to a buffet supper. Serves 8.

NIPPY CARROT NIBBLERS

Carolyn Reif

1 lb. carrots	1 1/2 tsp. salt
3 Tbsp. salad oil	1/2 tsp. dry mustard
3 cloves garlic, minced	1 Tbsp. whole pickling spices
1 Tbsp. coarsely chopped onion	1/8 tsp. pepper
1/4 c. vinegar	1 onion, pared and thinly sliced

Get ready one or several days ahead: 1. Cut pared whole carrots into lengthwise slices, 1/4 inch thick. Cut slices into strips 3 inches long, 3/8 inch wide.

2. In salad oil in skillet, sauté garlic and chopped onion until almost tender, about 5 minutes. Stir in vinegar, salt, mustard, pickling spices tied in cheesecloth, pepper and carrot strips from Step 1.

Simmer, covered, 5 minutes; carrot strips should be crunchy and crisp. Remove spices in cheesecloth. Transfer carrot mixture to shallow dish. Top with onion slices, cover and refrigerate until needed, basting occasionally.

HAM PINWHEELS

Ginger Rodechko

1/4 lb. Roquefort cheese	1/4 c. margarine
1/4 c. cream cheese	4 boiled ham slices

A day or so ahead, combine Roquefort cheese, cream cheese and margarine. Spread some on each ham slice, then roll up as for jelly roll. Wrap in waxed paper, Saran Wrap or foil. Refrigerate until needed.

To serve, slice rolls thinly, crosswise. Arrange 1 pinwheel on each cracker, or place fancy toothpicks through each slice and serve.

SWEDISH MEAT BALLS

Barbara Bellucci

1 lb. ground beef	2 eggs, lightly beaten
1/2 lb. ground pork	4 slices bread
1 lb. ground veal	3/4 c. milk
2 tsp. salt	1 med. onion, finely chopped
1/4 tsp. pepper	1/8 tsp. nutmeg

Mix ingredients and form into 1-inch balls. Brown in a little fat. Mix the following sauce ingredients together, pour over the meat balls and cook slowly until sauce is almost cooked away. SWISS FONDUE

Ginny Orlowski

1/2 lb. (2 c.) Switzerland Swiss cheese, shredded	1 loaf French bread or 4 hard rolls, cut to bite sized pieces with 1 crust at least
1 1/2 Tbsp. flour	3 Tbsp. kirsch or 2 Tbsp. brandy, applejack, light rum or other non-sweet brandy
1 clove garlic	Salt, pepper, nutmeg
1 c. Neuchatel wine (or any dry light Rhine wine, Reislag or Chablis type)	

1. Dredge cheese with flour; rub cooking utensil with garlic. 2. Pour in wine and set over very slow fire. 3. When wine is heated to a point when air bubbles rise (don't boil it), stir with fork and add cheese by handfuls, each to be completely dissolved before another handful is added.

4. Keep stirring until mixture starts bubbling lightly. Add little salt, pepper and nutmeg. 5. Finally add and thoroughly stir in the kirsch or whatever. 6. Remove from fire and set immediately on your preheated table equipment. 7. If it becomes too thick, add a little preheated wine.

CHEESE FONDUE (Beer)

Dolores Caldwell

8 oz. sharp natural Cheddar cheese, grated	1/2 tsp. salt
8 oz. Swiss (aged 6 months or more), grated	1/4 tsp. pepper
2 Tbsp. flour	Garlic
	12 oz. can beer
	Dash Tabasco sauce

Mix cheeses, flour, salt and pepper in large bowl. Rub fondue pot with garlic. Pour in beer and heat slowly; gradually stir in cheese mixture, a cup at a time, stirring until melted and blended. (Do not allow mixture to get too hot.) Stir in Tabasco sauce. If it becomes too thick, add heated beer.

CHEESE FONDUE

Lois Carpenter

8 oz. sharp Cheddar cheese, shredded	2 Tbsp. flour
8 oz. natural Swiss cheese, shredded	1/2 tsp. salt
	1/4 tsp. pepper
	Garlic powder to taste
	* * *
1 (15 oz.) can beer	French bread, cut into
Dash Tabasco sauce	1-inch cubes

Mix first 6 ingredients in large bowl. Can store in refrigerator until needed. Slowly heat beer in skillet or electric fry pan over medium low heat. Add cheese mixture by handfuls, stirring constantly to melt. Mixture will thicken. Stir in Tabasco sauce. Pour into fondue pot and dip bread cubes. Serves 4-6.

CHILI CON QUESO (Fondue)

Adelaide Bearde

2 lb. box Velveeta or American cheese	1 tsp. chili powder
1 can stewed tomatoes	1 tsp. each garlic and onion powder
1 small can green chilies, diced	

Bring stewed tomatoes to a boil in saucepan. Dice cheese into cubes. Add cheese to tomatoes with other ingredients. Reduce heat to low and stir until cheese is melted and mixture is smooth. (Burns easily, so keep heat low and stir often.)

Serve warm in fondue pot or keep warm over candle in chafing dish - thickens as it cools and may be used cold as a spread for crackers. Serve with small squares of French bread or corn chips.

GORP (A Snack)

Karen Hill

Preheat oven to 350°. Mix in large ungreased pan (9x13 inches, or some similar sized pan:

1 lb. hulled and cleaned raw sunflower seeds (unsalted)	1/2 lb. raw unsalted cashews
	1/2 lb. slivered almonds

Roast seeds and nuts until lightly browned, 15 to 20 minutes, checking and mixing occasionally. When lightly browned, remove from oven and add 3/4 cup raisins or currants; mix well and put mixture of GORP into a large serving dish or several small serving bowls.

CASILLI'S GRANOLA

Dolores Casilli

5 c. oatmeal	1 c. raw unsalted sunflower
1 c. coconut	seeds
1 c. chopped raw cashews	1 c. oil
1 c. wheat germ	1 c. honey
1 c. non-fat instant dry milk	1 c. raisins

Mix together the first 6 ingredients, then add both the honey and oil, and stir thoroughly. Spread the mixture in a jelly roll pan and place in 325° oven for 15 minutes, stir, then place back in the oven for another 15 minutes, or until golden in color.

Remove Granola from the pan and place in a large bowl and repeat procedure until all the mixture is completely baked. When the entire mixture has been baked, add the raisins. Store in containers with screw top lids. This is an excellent cereal, it can be eaten cold with milk or with other dry cereals, a topping for ice cream or just as a confection.

CHEESE TOASTIES

June Kessler

1/2 lb. sharp Cheddar cheese	1 hard-cooked egg
1/3 c. green pepper, chopped	1/2 can tomato soup
1/2 c. stuffed olives	1 Tbsp. melted butter 1 small onion

Grind cheese, olives, green pepper, onion and egg together. Stir in soup and butter. Cut hamburg buns in halves and butter, spread mixture on each half and broil 5 to 10 minutes. These make a good warm snack after a football game. Serves 6-8.

ORANGE SUGARED PECANS

Ottie Chwalek

1 1/2 c. sugar	1 Tbsp. orange peel, grated
1/2 c. orange juice	2 1/2 c. pecan halves

Combine sugar and juice. Cook to 240°, or soft-ball stage. Remove from heat, add grated orange peel and pecan halves. Stir until syrup begins to look cloudy. Turn onto waxed paper in small clusters or individual halves. Allow to cool. English walnuts may be used instead of pecans, if desired.

If you strew them sparsely, they whet the appetite. If you lay them on too thick, they spoil the matter quite.

FROSTED GRAPES

Tibi Tyburski

Select 2 pounds of Red Emperor grapes or other grapes in season, in large, compact bunches. Cut smaller bunches of grapes from the large ones. In a bowl, beat 2 egg whites until they are frothy. With a brush, coat the grapes lightly with the egg white and arrange them on racks.

Sift sugar over the grapes until they are coated. Leaving the grapes on the racks, chill them or put them in a cool, dry place until the sugar is set. Serve the frosted grapes in a bowl or use them to garnish a platter. (GOURMET Magazine)

ANOTHER WAY TO COOK . . .

Nada Vujica

" . . . I never used a recipe or even read one (not even from packages or cans).

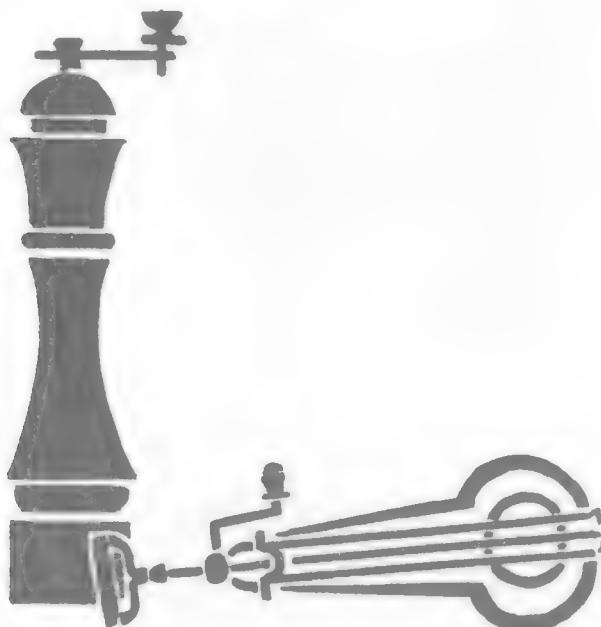

I must have been influenced by my maternal grandmother, with whom I lived as a child. She was Hungarian, lived in the Spanish-Jewish part of Sarajevo, the city of a hundred mosques, and was a great admirer of Viennese pastry. Her sons-in-law and other relatives considered it a special treat to be invited to her home for dinner. We never labeled any food by national heritage, as indeed we never noticed national, racial, or religious origin of the people with whom we came in contact - each one was judged by individual merit. My grandmother, who lived 94 years, never used a recipe - she cooked by 'feelings' and learned by visiting her multi-national friends.

Oh, how I remember those apple-strudels, pigs in blankets, noodle puddings, rose petal preserves, homemade bread . . ."

WILD GAME RECIPES

ROASTED WILD DUCK

Clean, wipe and dry the ducks. Sprinkle generously with flour, salt and pepper. Place whole peeled onion inside each duck and place them in self-basting roaster. Fasten with toothpicks 2 or 3 strips of bacon across each bird. If desired, ducks may be stuffed with wild rice dressing made by boiling rice (wild) and seasoning with salt, pepper and chopped onion. Cover bottom of roaster with water. Cover tightly and roast in oven at 350 degrees for 1 1/2 to 2 hours, depending on the number and size of ducks. Remove cover of roaster for last 15-20 minutes, before taking from oven to allow skin to brown.

HENRY'S CHICKEN

Dolores Casilli

4 chicken breasts, boned and skinned	1 tsp. oregano
1 tsp. parsley	1 tsp. marjoram
1 tsp. sage	1 tsp. salt
1 tsp. rosemary	1/4 to 1/2 c. butter
1 tsp. thyme	1 c. red or white wine or chicken broth

Take the boned breasts and cut into 1-inch cubes. Blend all of the spices and place them in a plastic bag (9x12 inches). Take a handful of the chicken at a time and toss in the shaker bag until coated. Repeat until all of the chicken is coated. Melt the butter in an electric skillet until it just begins to turn gold, 325°. Add the chicken, turning it until all is coated. Cover. In about 5 minutes, add the wine and broth. Keep the skillet no higher than simmer at this point. When the wine has been reduced at least 25%, the chicken is ready.

This is an excellent dish for a buffet, as it keeps very well in a chafing dish. Some of the sauce should accompany the chicken. A perfect compliment to this is Risotto a la Milanese.

2 green peppers, sliced	1 (6 oz.) can tomato paste
2 c. cooking oil (approx.)	3 c. water
1 med. onion, chopped	Salt and pepper to taste

When the lamb is well cooked, pour off all but a tablespoon of grease. Add the tomato sauce, tomato paste, water, salt and pepper. Heat sauce until it begins to bubble. Then layer first the eggplant, then the green pepper back into the sauce. Simmer the sauce until the eggplant is cooked, about 15 minutes. It will be done when you can put a fork through it.

AUNT SUE'S ITALIAN MEAT BALLS

Barbara Bellucci

My husband's Aunt Sue, a superb cook who does all the cooking for her large Italian restaurant, has never fried a meat ball! She bakes them in a hot oven. Her meat balls are lighter and more digestible. They freeze beautifully, since they are not coated with extra oil.

I usually make at least 3 batches at a time and freeze the meat balls with a sufficient number in each plastic bag for one meal. Meat balls can be defrosted ahead of time and simmered in sauce until heated through. They can also be put frozen into a pan of spaghetti sauce and cooked for about 45 minutes.

1 lb. ground beef	1 tsp. dried basil (or fresh if available)
3 slices bread (stale or dried)	2 tsp. dried parsley (or fresh, if available)
2 large eggs	1/4 tsp. black pepper
1 clove garlic, finely chopped	1/4 c. grated Italian cheese

Place bread in bowl and cover with water. After bread has become soaked, squeeze out excess water and discard all water. Break up bread into small pieces, add meat and all other ingredients. Blend well. Roll into 2-inch balls. Place on foil covered cookie sheets (with sides), so that meat balls are not touching. Place in preheated 425° oven for about 30 minutes, or until browned. (Ovens vary, so baking time may differ slightly.) Let meat balls cool for easier removal. If meat is unusually lean, it may be easier to peel away foil than to remove meat balls with a spatula.

SWEDISH MEAT BALLS

Cherry Fuller

2 Tbsp. butter	1 lb. chuck, ground
1/3 c. minced onion	1/2 lb. shoulder pork, ground
1 egg	2 Tbsp. butter
1/2 c. milk	2 Tbsp. flour
1/2 c. fresh bread crumbs	1 tsp. sugar
1 1/4 tsp. salt	1 1/2 tsp. salt
1 1/2 tsp. sugar	1/8 tsp. pepper
1/2 tsp. allspice	1 c. water
1/4 tsp. nutmeg	3/4 c. light cream

In 2 tablespoons hot butter in large skillet, sauté onion until golden brown. Meanwhile, in large mixing bowl, beat egg; add milk and crumbs. Let stand 5 minutes. Add 1 1/4 teaspoons salt, 1 1/2 teaspoons sugar, allspice, nutmeg, meat and onions. Blend well with fork.

SWEDISH MEAT BALLS (Continued)

In same skillet, heat 2 tablespoons butter. Using 2 teaspoons, shape meat mixture into small balls. Drop some balls into skillet, brown well on all sides, and remove to warm casserole; repeat until all meat balls are browned.

Into fat left in skillet, stir flour, 1 teaspoon sugar, 1 1/2 teaspoons salt, and pepper. Slowly add water and cream; stir until thickened.

If desired, return meat balls to gravy; heat well. Or serve balls in covered casserole; pass gravy. Serves 6.

May make day ahead. Refrigerate and just reheat before serving. As a dinner, it goes well with noodles and vegetables.

1 1/4 lb. peeled raw shrimp	Very hot olive oil
2 cloves garlic	8 oz. tomato purée
Parsley	

Cook first 4 ingredients until garlic turns brown. Add tomato purée and cook 5 minutes.

SHRIMP TEMPURA

Tomiko Sugiyama

2 doz. large shrimp

Batter:

1 c. soft wheat flour	1 egg
4 Tbsp. cornstarch	3/4 c. water

Sauce:

1 c. lightly seasoned broth or soup stock	1/3 c. Mirin (Japanese sweet rice wine) or sherry
	1/3 c. soy sauce

To prepare the batter: Beat the egg yolk and blend in 1/2 of water. Add sifted flour and cornstarch. Mix quickly from the outside to the center of the bowl. Add the remaining water and stir. The batter does not have to be entirely smooth.

To prepare the shrimp. Shell and devein the shrimp. Remove the tendon (which is between the tail) pressing it with the edge of a knife. To keep the shrimp straight while frying, make a few shallow cuts on its inner side and gently straighten it up.

To fry: Use a large deep fryer with plenty of oil - enough to cover the ingredients completely. Dip the shrimp in batter and fry at 350-360° until golden brown.

To prepare sauce: In a pan, mix all the necessary ingredients together and bring to a boil.

To serve: Serve Tempura with a side dish of sauce for dipping. It is usually served with the third dish of grated radish and ginger root to be put into the sauce just before eating.

ENSOPADO DE CAMARAO *

Elizabeth Espinheira

Prepare fresh shrimp, shelled and deveined, by mixing it with salt, garlic, onions, fresh tomatoes, green peppers, catsup, and a small amount of oil and lemon juice. Put on the stove and cook until almost all the water is taken up (at least 15 minutes). If you like, mix with some cooked potatoes and sweet peas. Serve with rice, in a separate dish.

FRITADA DE CAMARAO *

Elizabeth Espinheira

This is the casserole which Elizabeth brought to the International Students' Dinner.

Prepare fresh shrimp, as in the "ensopado", in the preceding recipe, adding to it milk of coconut, peas and cooked potatoes. Beat the whites of 4 eggs until stiff. Add the yolks and mix together. Divide in half, and put the shrimp mixture into 1/2 of the beaten eggs. Butter a casserole dish on sides and bottom, and put into it the shrimp-egg mixture. Cover with the other half of the beaten eggs. Bake at 450° for a few minutes, until golden brown, keeping a close watch on it.

To make a nice arrangement, the casserole may be decorated with slices of tomatoes, green peppers, onion rings, etc. It may be served warm or cold.

STONED SOLE PICNIC

Lisbeth W. Jardine

(Horaku-yaki, Fish baked with Pine Needles - Japanese)

The Japanese have many ways of grilling whole fresh fish with salt. They commonly use sea bream of 1 pound each. Any, fresh as possible, whole, white-meated fish would seem to work. Essential is carefully washing and scaling the fish and not damaging the skin. The fish is gutted from the under or back side (that is with the head to the left and the belly facing you). Make an incision just below the pectoral fin and remove entrails, carefully wash the cavity. Sprinkle the entire fish with unadulterated sea salt. Let stand for 1/2 hour, by which time the salt will have dissolved. Wipe off any moisture with a dry cloth, skewer and grill over a barbecue.

1 qt. small, clean pebbles
2 c. fresh white pine needles
1-3 very fresh white fish
(approx. 1 lb. each)

6-12 large prawns
12 fresh mushrooms
Tin of water chestnuts
Salt
1 lemon

STONED SOLE PICNIC (Continued)

Use an ovenproof earthenware or glass baking dish that will allow room for the whole fish. Cover the bottom of the dish with pebbles. Over this, lay a thin bed of pine needles. Wash, scale and gut the fish as described above. Do not remove head and tail. Sprinkle fish heavily with salt. Let salted fish set for 30 minutes; wipe off moisture with damp cloth. Make 3 or 4 diagonal cuts on the back side of each fish, i.e., side from which entrails were removed.

While the fish is setting, remove heads of the prawns. Leave shells and tails, but devein them by cutting along the back and pulling out dark vein. Wipe off mushrooms (never wash mushrooms, they absorb water). Have the fish, top side up, on the bed of pebbles and pine needles. Surround it with prawns, mushrooms and water chestnuts; salt liberally. Cover the dish with tin foil. Bake in 400° oven for 20 minutes, or until fish is done. The juices from the fish and vegetables drain through pine needles and pebbles to the bottom of the pan so they do not become soggy.

Serve in baking dish. If pine needles turn brown during baking, add some fresh ones. Serve with lemon wedges. Very good cold the next day.

COOKING SUGGESTIONS

To toast coconut for cakes, put in pie pan and place in moderate oven. Stir often from edges, to brown evenly.

* * * * *

Flour should be sifted once before measuring. Fill the cup without packing.

* * * * *

Do not grease the sides of cake pans, grease only the bottoms.

* * * * *

When beating egg whites do not tap beater on bowl of egg whites. The jarring of beater will cause the whites to lose a great deal of their fluffiness. The beater should be tapped on the hand to clear off the whites.

* * * * *

Rub the bottom of the soup cup with a sliced whole garlic to accent the flavor of Navy Bean Soup.

* * * * *

Eggs should be at least three days old before using in cakes.

* * * * *

SLOW OVEN 250 to 325 degrees
MODERATE OVEN 350 to 375 degrees
HOT OVEN 400 to 450 degrees
VERY HOT OVEN 450 to 500 degrees

* * * * *

When making cake icing or candy consisting of milk or cream and sugar, add one teaspoon of ordinary table syrup for each cup of sugar used. Boil in the usual way. Your finished product will be much smoother and not so apt to become sugary.

PRESERVED CHILDREN

Take 1 large field, half a dozen children, 2 or 3 small dogs, a pinch of brook and some pebbles. Mix the children and dogs well together; put them on the field, stirring constantly. Pour the brook over the pebbles; sprinkle the field with flowers; spread over all a deep blue sky and bake in the sun. When brown, set away to cool in the bathtub.

-----------------------------	--

Add 1 cup unbleached white flour and use more as needed for kneading. Knead about 10 minute, until dough no longer is sticky, but is smooth. Put in oiled bowl, oil the dough, cover and let rise in a warm draftless place (85°), until doubled in size (at least 1 hour). When doubled, knead down, cover and let rise until doubled again. Knead down, divide into 3 equal parts and make into loaves. Put loaves into greased loaf pans, let rise until dough comes to top of loaf pans. Bake at 350° for 50 minutes. Remove from pans, cool on wire racks. Makes 3 loaves.

Suggestion: Store one in refrigerator and freeze the other two.

BERG'S SWEDISH GLOGG (Old Family Recipe, Traditional Christmas Punch)

Mrs. James P. Berg

1/5 gal. Taylor's Tawney
port
1/5 gal. Paul Masson's
rubicon

1 pt. Christian Brothers
brandy
4 cloves
8 cardamoms

BERG'S SWEDISH GLOGG (Continued)

1 iron grid	1 can candied orange peel
1/2 c. almonds, blanched and shredded	2 pieces cinnamon bark
1 to 2 c. seedless raisins	1/2 to 1 c. lump sugar
	1 long-handled ladle

A day or two before use, prepare the foundation of the glogg. Place the whole cloves, whole cardamoms, almonds, raisins, orange peel and cinnamon in a kettle with enough of the port or rubicon to cover. Bring to a boil. Cool and store for 24 to 48 hours.

On the day of use, add the rest of the wine to a large kettle and heat to slightly below boiling point. Place an iron grid with the lump sugar over the kettle. Pour the brandy over the sugar into the kettle. Light the fumes of the near-boiling mixture and ladle this flaming mixture over the sugar until it has all caramelized and dripped into the glogg. Put out the flame with a pot lid. Serve the glogg hot with raisins and almond slivers.

The leftover spiced fruit may be used in other recipes. Some people use this as a party punch and do the "flaming stage" in the living or dining room.

This may taste like rotten orange juice when ready to bottle, but don't throw it out - it improves with age!

CASSEROLES

VEGETABLES

TO QUICK-FREEZE VEGETABLES

Vegetables for freezing are prepared as for cooking, then blanched (scalded) and packed dry, or with the brine. The dry pack is less trouble and is satisfactory for all vegetables except green peppers.

Blanching vegetables is important because it minimizes loss of flavor and color. To blanch in boiling water, put about one pound of vegetables in a fine-mesh wire basket with a wire cover to hold food under the water and lower into rapidly boiling water, enough to cover food. Cover the kettle and then COUNT THE TIME RECOMMENDED FOR EACH vegetable. After blanching, chill quickly and thoroughly, plunge the vegetables into ice water, or hold under cold running water. When completely chilled, remove and drain, and PACK AT ONCE.

VEGETABLE	HOW PREPARED	BLANCHING
ASPARAGUS	Wash, cut, sort into groups according to thickness of stalk. Blanch, chill, pack.	3 to 4 minutes in boiling water, depending on size.
BEANS, GREEN AND WAX	Wash, stem, slice, cut or leave whole. Blanch, chill, pack.	Cut: 2 minutes in boiling water. Whole: 2 1/2 minutes in boiling water.
BEANS, LIMA	Shell, wash, blanch, chill. Remove white beans, which may be used for cooking. Pack.	1 to 2 minutes in boiling water, depending on size.
CARROTS	Remove tops, wash, scrape. Slice lengthwise or cross-wise as preferred, or leave small carrots whole.	Whole: 4 1/2 minutes in boiling water. Sliced: 3 minutes in boiling water.
CAULIFLOWER	Break heads into flowerets about 1 inch across. Wash, blanch, chill, pack.	3 to 4 minutes in boiling water.
CORN, ON COB	Husk, trim away silk and spots. Wash, blanch, chill, pack.	7 minutes in boiling water for slender ears. 9 for medium, 11 for large.
CORN, KERNELS	Same as corn on cob. After chilling, cut off kernels and pack.	
GREENS Beet, Chard, Kale, Mustard, Spinach, Collards, etc.	Wash, discard bad leaves, tough stems. Blanch, chill, pack.	2 minutes in boiling water.
PEAS	Shell, sort, blanch, chill, pack.	1 to 2 minutes in boiling water, depending on size.
PEPPERS, GREEN	Wash, cut away seeds, slice. Blanch, pack in brine of 1 tsp. salt to 1 c. cold water.	3 minutes in boiling water.

TEMPERATURE TESTS FOR CANDY MAKING

There are two different methods of determining when candy has been cooked to the proper consistency. One is by using a candy thermometer in order to record degrees, the other is by using the cold water test. The chart below will prove useful in helping to follow candy recipes:

TYPE OF CANDY	DEGREES	COLD WATER
FONDANT, FUDGE	234 - 238°	SOFT BALL
DIVINITY, CARAMELS	245 - 248	FIRM BALL
TAFFY	265 - 270	HARD BALL
BUTTER SCOTCH	275 - 280	LIGHT CRACK
PEANUT BRITTLE	285 - 290	HARD CRACK
CARAMELIZED SUGAR	310 - 321	CARAMELIZED

In using the cold water test, use a fresh cupful of cold water for each test. When testing, remove the candy from the fire and pour about $\frac{1}{2}$ teaspoon of candy into the cold water. Pick the candy up in the fingers and roll into a ball if possible.

In the SOFT BALL TEST the candy will roll into a soft ball which quickly loses its shape when removed from the water.

In the FIRM BALL TEST the candy will roll into a firm but not hard ball. It will flatten out a few minutes after being removed from water.

In the HARD BALL TEST the candy will roll into a hard ball which has lost almost all plasticity and will roll around on a plate on removal from the water.

In the LIGHT CRACK TEST the candy will form brittle threads which will soften on removal from the water.

In the HARD CRACK TEST the candy will form brittle threads in the water which will remain brittle after being removed from the water.

In the CARAMELIZING the sugar first melts then becomes a golden brown. It will form a hard brittle ball in cold water.
